Subject: Dr. Mitchell Davis

Mr. Elkins,

This morning, Dr. Mitchell Davis advised federal agents that you would be representing him related to an on-going federal criminal investigation in this district. Prior to receiving this information, federal agents interviewed Dr. Davis while executing a search warrant yesterday. Will you confirm that you are in fact representing him and we will not contact him again about this investigation without your consent. Dr. Mitchell is the target of the investigation and I anticipate that he will be charged with multiple felony offenses. Please contact me if you wish to discuss this matter.
